Many school systems realize substantial savings by organizing several schools in their community into a "circuit" —where each school in turn has the use of a film program on successive days. Thus, you get the benefit of our special LOW WEEKLY and MONTHLY rental rates. Why not contact other schools in your city and work out a simple schedule for such a "circuit"?

SPECIAL
DISCOUNT SCHEDULE
for
ROADSHOWMEN and DEALERS

As an authorized I.C.S. Dealer or Roadshowman you have a double-barreled opportunity to make real money. Here's HOW:

1. At I.C.S. you get the latest release Majors and Westerns just as soon as they're made available for the 16mm. field. The I.C.S. film rental library is one of the most COMPLETE independent film libraries in the country, serving hundreds of Roadshowmen and Dealers everywhere.
2. An I.C.S. program is a COMPLETE program — feature, plus top-notch shorts: sport reels, comedies or similar subjects to give you a really professional show at every booking. If you wish, you may choose a serial in place of an equivalent number of reels of shorts, at no extra charge. If both a serial and short subjects are desired, there will be an extra charge for the serial — $1.88 per episode per day or $3.75 per episode per week, net.

   THE SPECIAL RENTAL RATES LISTED BELOW ARE FOR THE EXCLUSIVE BENEFIT OF OUR AUTHORIZED DEALERS AND ROADSHOWMEN ONLY. If you re-rent I.C.S. films, you are requested to maintain catalog prices throughout.

This simplified chart will tell you at a glance just what your rentals are in the different categories. Your discount is already figured in, so all prices are NET.

FEATURES

ANYTHING FOR A THRILL

6 Reels—Don Mallory decides he'd like to become a newsreel cameraman like his elder brother. This yearning leads him into adventures that sputter with thrills from start to finish of this dandy action picture. Starring Frankie Darro and Kane Richmond.

BLACK GOLD

6 Reels—Drama in the oil fields marks this swell Frankie Darro picture. Dan O'Riley's son "Fishtail" (named after a drilling tool), can hardly wait to become an oil driller like his dad. Violence and action flame across the screen as a crafty villain tries to get control of the well. Supported by Roy Mason and Gloria Shea.

BORN TO FIGHT

8 Reels—Frankie Darro, Kane Richmond, and Frances Grant in a resounding drama about a boxer who is unjustly accused of a crime, and the boy whom he takes under his wing to coach him to championship in the ring. Crooked gamblers and a love story make this film real entertainment.

---

*IMPORTANT: The above special rates on schedule bookings do not apply to our Religious and Christmas films during Lent and December.

BULLDOG DRUMMOND AT BAY

6 Reels—Who is the mysterious charmer? Who is the wounded fugitive? Who knows the secret of the wonder plane? John Lodge, Dorothy Mackaill and Victor Jory solve it all.

CASEY JONES

7 Reels—All the excitement, human interest and plain-folk laughter of the railroad engineer is dramatized in this fine, heart-warming picture, starring Charles Starrett, Ruth Hall, Jackie Searle, Robert Elliott.

THE CITY

3 Reels—Sociological study of city life of today, with its slums, planless streets, traffic jams, contrasted with the "city of tomorrow". ($7.50 with shorts; $4.50 without shorts—Specify.)

THE CROOKED CIRCLE

7 Reels—A Hindu mystic, a mad hermit, everything from spooks to nuts in a feast of thrills. Zasu Pitts and James Gleason.

DESERT VICTORY

6 Reels—This picture details the rallying of the British Eighth Army at El Alamein in those crucial days of World War II when Rommel's Afrika Korps was only 60 miles from Alexandria and the Suez Canal was in deadly danger. This was the decisive turning point of the African campaign.

THE DEVIL DIAMOND

6 Reels—The exciting story of a fabulous diamond which has always brought misfortune to its owners. The jewel is entrusted to a gem merchant for recutting and it falls into the hands of thieves. Before it is recovered there's plenty of tingling adventures. Starring Frankie Darro and Kane Richmond.

ELLIS ISLAND

7 Reels—A smashing drama showing the part that Immigration Inspectors play in the war against crime. With Donald Cook, Peggy Shannon, Jack LaRue, Joyce Compton.

EVOLUTION

3 Reels—The fascinating visualization of the theory of evolution, from the mystery of creation to the wonders of modern civilization. ($7.50 with shorts; $4.50 without shorts—Specify.) Also available for outright sale.

FIGHT ON MARINES

6 Reels—Exciting comedy-drama of Uncle Sam's sea-going soldiers. Toby Wing and Wallace Ford.

FIGHTING TO LIVE

6 Reels—This film displays the canine's traditional faithfulness to man. A unique picture featuring Captain and Lady.

FISH FROM HELL

3 Reels—Most dramatic expedition ever filmed! Shark battles tuna. Also, thrilling chase action as a giant manta, weighing tons, is harpooned from a frail boat. ($7.50 with shorts; $4.50 without shorts—Specify.)

HEADLINE CRASHER

7 Reels—Frankie Darro, Kane Richmond and Muriel Evans in the story of a Senator whose chances for re-election are endangered by his happy-go-lucky, irresponsible son who becomes involved in a bank robbery. Finally son Jimmy is cleared and the Senator is re-elected and everything is cleared up.

THE HEADLINE WOMAN

9 Reels—A fast-talking reporter is involved with the city police in a feud because they do not want to cooperate with the press. Before he's through, he has cracked open one crime case and reconciled the feuding press and police—and, of course, wins the hand of lovely Heather Angel. Starring Roger Pryor, Heather Angel and Ford Sterling.

THE HEALER

8 Reel Special—An exceptional human interest story of a young country doctor. Mickey Rooney, Ralph Bellamy, Karen Morley and a capable supporting cast.

HISTORY OF AVIATION

3 Reels—A comprehensive history of aviation from the Wright Brothers to the giant China Clipper. A real cavalcade of aviation. ($7.50 with shorts; $4.50 without shorts—Specify.)

I CONQUER THE SEA

7 Reel Adventure—With Steffi Duna and Douglas Walton. The salt and spray of the sea gives a lusty tang to this portrait of the New England whaling industry in the days when men went down to the sea in ships.

IN LOVE WITH LIFE

7 Reels—Especially recommended is this absorbing human interest story about a boy whose love finally brings about a reconciliation between his mother and grandfather. Excellent performances by Dickie Moore, Claude Gillingwater, Lila Lee and the Meglin Kiddies.

INTERNATIONAL CRIME

7 Reels—A band of foreign conspirators are trailed and exposed by the "Shadow" Rod LaRoque, Astrid Allwyn.

SERIALS

$3.00 Per Chapter Per Day

SPECIAL COMBINATION OFFER

Educators and directors of juvenile activities know the value of using a serial picture to attract and hold their audiences. Any of the serials listed below will make excellent film fare for both young and old. The price per episode is $5.00. This price includes three reels of shorts such as comics, sports, educationals, latest news reels, novelty subjects, etc. to make up an hour of diversified movies that will thrill and amuse your audience week in and week out. We list below a sample program:

SAMPLE PROGRAM

EPISODE OF A SERIAL	2 Reels
AM TO PM (Little King Cartoon)	1 Reel
BIT AND BRIDLE (Sport)	1 Reel
AMERICA'S WONDERLAND	1 Reel

THE ADVENTURES OF REX AND RINTY

25 Reels—This serial with Rex, King of Wild Horses, Rin-Tin-Tin, Jr., Kane Richmond, etc. revolves around a magnificent black stallion held sacred and worshipped by the natives of an imaginary island. You will be thrilled with this action-filled, hair-raising, thundering, twenty-five reel serial.

BLAKE OF SCOTLAND YARD

31 Reels—Ralph Byrd, Herbert Rawlinson, Joan Barclay, Lloyd Hughes. A sinister network of international spies threatens to terrorize the world with a death-dealing, scientific ray. How universal catastrophe is narrowly averted, and the criminal band apprehended by the masterful detectives of Scotland Yard, is divulged in fifteen suspense-filled episodes.

THE CLUTCHING HAND

31 Reels—A Craig Kennedy story from a novel by Arthur B. Reeves. Terrifying stunts by the screen's greatest stuntster Yakima Canutt, the death-defying dare-devil of the studios.

HURRICANE EXPRESS

25 Reels—The theme here is the rivalry between the railway and air transportation companies, and concerns a young air transport pilot who is seeking to avenge his father's death in a mysterious crash. The cast includes John Wayne, Shirley Grey, Conway Tearle, and Tully Marshall.

THE GALLOPING GHOST

25 *Smashing Reels*—Starring that great football phenomenon, "Red" Grange. This serial is a smash from beginning to end, showing "Red" Grange in action on and off the football field.

THE LAST FRONTIER

25 *Reels*—Lon Chaney, Jr., Richard Neil, Francis X. Bushman, Jr., Dorothy Gulliver are featured in this fast-moving serial of the great west. Hostile Indians, the discovery of gold, the restoration of law and order are the salient points in this stirring serial.

LAST OF THE MOHICANS

25 *Reels*—James Fenimore Cooper's immortal story, followed faithfully as to text and presented by such an able cast as Harry Carey, Edwina Booth, Hobart Bosworth and many others. A glowing dramatization of one of the most popular books in the English language, and especially appropriate for showing in schools, churches, or at home.

THE LOST CITY

25 Reels—A screen prophecy of things to come. The story deals with a power-mad scientist named Zolok, who with the aid of his inventions and the inventions of another scientist whom he has under his power, attempts to gain control of the world. The picture stars William (Stage) Boyd, who takes the part of Zolok, the mad scientist. A splendid supporting cast includes Claudia Dell and Kane Richmond.

The average I.C.S. program consists of a feature and two or three short subjects. Serials may be included instead of shorts at no extra charge. However, if both a serial and short subjects are desired, there will be an extra charge for the serial as follows: $2.50 per episode per day or $5.00 per episode per week. The regular price for our serials alone is $3.00 per day and $6.00 per week. The usual 25% discount is in effect to authorized I.C.S. Roadshowmen and Dealers.

THE LOST JUNGLE

25 Reels—Clyde Beatty the great animal trainer is featured in this action serial laid in the trackless wastes of the jungle fastness.

THE MASTER KEY

26 Reels—Thrill to the dynamic adventures of the dauntless G-Men as they stalk the invisible terror who rules a sinister spy ring. 13 action packed chapters starring Milburn Stone, Jan Wiley and Dennis Moore.

MIRACLE RIDER

33 Reels—Tom Mix, as a Texas Ranger, and his famous horse, Tony, Jr., are at their riding best in this absorbing serial of the modern west. The plot revolves around Tom's efforts to protect his Indian friends from being ousted from their reservation.

THE NEW ADVENTURES OF TARZAN

26 Reels—This is a story of high adventure exploration, plot and counter-plot. It deals with Major Mattling's expedition into the jungles of Guatemala. Tarzan's spectacular strength and superhuman courage add to the interest and suspense in each episode. Featuring Herman Brix, Ula Holtz and Frank Baker.

THE OREGON TRAIL

30 Reels—Blood-mad redskins . . . renegades . . . killer bandits . . . blazing to life in a streak of fear, fraught, fight and fury! Starring Louise Stanley, Fuzzy Knight, Bill Cody, Jr., Ed Le Saint.

PHANTOM OF THE WEST

21 *Reels*—Tom Tyler and an all-star cast including William Desmond, Tom Santschi, Dorothy Gulliver, Joe Bonomo, Tom Dugan and others.

QUEEN OF THE JUNGLE

24 Reels—Featuring Reed Howes and Mary Kornman. A runaway balloon, in which her explorer-father had planned to locate a fabulous radium mine, lands its sole passenger, a little girl, in the heart of the jungle. Here she is adopted by a savage tribe. How her former childhood playmate effects her deliverance is divulged in twelve electrifying episodes.

RETURN OF CHANDU

24 Reels—Again Chandu's Magic Thrills You! Baffles you! Mystifies You! See "Chandu" The Master of Magic in a new series of nerve-tingling adventures, baffling mystery and necromancy. Featuring Bela Lugosi and Maria Alba.

SHADOW OF THE EAGLE

25 Reels—The first episode three reels, the other episodes two reels each. Starring John Wayne, Dorothy Gulliver, Kenneth Harlan, Walter Miller. A thrill-packed serial of carnival life and adventure high in the sky. All the color and excitement of a three-ring circus, with enough action for a dozen serials.

THE THREE MUSKETEERS

25 Reels—A modern adaptation of Alexander Dumas' stirring story, featuring John Wayne, Jack Mulhall and Raymond Hatton. Three young Legionnaires are saved from death by an up-to-the-minute D'Artagnan who comes to their aid in an airplane.

THE WOLF DOG

24 Reels—Rin-Tin-Tin Jr., Frankie Darro, "Boots" Mallory, George Lewis and a host of other thrill-makers bring you a tremendously exciting serial that will hold you spellbound from chapter to thrilling chapter.

YOUNG EAGLES

25 Reels—Officially endorsed by the Boy Scouts of America. This stirring serial traces the adventures of two Eagle Scouts whose reward is—an airplane tour of South America. How the boys and their pilot are stranded in the jungles of Central America and what a multitude of strange and perilous adventures await the lads makes this one of the most thrilling serials ever produced. Twelve enthralling chapters of clean film fare.

NOT SO DUMB — Skills and friendships of "dumb" animals.

LOUIS PASTEUR (2 Reels, $3.00) — One of the biggest of the big in the world of science; an exposition of his amazing discoveries.

PECULIAR PETS — Strange types of household pets.

PEOPLE OF THE PONDS — Weird microscopic creatures living in a pool.

PLANT BIOLOGY — How seeds are fertilized and how they develop into mature plants.

POND LIFE — Forms of life inhabitating ponds — toads, bugs, snails, mosquitoes, May-fly, beetle, larvae, etc.

PRIMATES #1 — Four kinds of apes that most resemble humans.

PRIMATES #2 — Compares New World or American monkeys with Old World monkeys and humans.

THE PROWLERS — Life in and about an African village where the native hunts for his living.

REALM OF THE WILD — This gem has many uses. For elementary schools, the emphasis is on natural history. For the Junior high school student it is a lesson in geography. For high school students it is a fine lesson in conservation. ($7.50 with or without shorts—Specify.)

REPRODUCTION AMONG ANIMALS — Fundamentally complete story of embryology, using domestic pig for illustration.

REPTILES — Activities of harmless snakes; new world of lizards; alligators; tortoises and sea turtles.

RETURN OF THE BUFFALO — Story before and after the coming of the white man; present steps being taken by government for wildlife protection.

ROADRUNNER BATTLES RATTLESNAKE — A little, but valiant Mexican bird, the paisano, battles the deadly rattlesnake with cunning as his weapon.

RODENTS — Characteristics of various types rodents; dormouse, kangaroo mouse, gopher, flying squirrel, woodchuck, etc.

ROMANCE IN A POND — Life of the newt. Shows hatching of tadpole.

SECRETS OF THE SEA — Methods of collection of sea life; history of the Nudibranch.

SILK MOTH — The life cycle of a remarkable insect "factory" — how silk is produced.

SONG BIRDS OF THE NORTH WOODS — Authentic record of songs and cries of American birds; nesting and feeding scenes.

STRANGE SEA SHELLS — Creatures that inhabit shells of tropical seas.

SWALLOWTAIL BUTTERFLY — From laying of eggs to emergence from cocoon.

SWAT THE FLY — The common house fly; the deadly germs it carries and necessity for keeping him "swatted" in the interests of health.

UNDERGROUND FARMERS — Microscopic study of battling ants in equatorial South Africa.

UNDERSEA LIFE — Struggle for life between shell fish and their enemies.

THE VELDT — African wild life in its natural surroundings. Features volcanic explosion.

WEDNESDAY AT THE ZOO — A gay trip through a famous zoo and a gay visit with all the jolly animals there.

WHITE CABBAGE BUTTERFLY — Complete metamorphosis from larvae to butterfly.

WHO'S WHO AT BRONX ZOO — Come and say hello to all the furry and funny creatures who live at the Bronx Zoo.

ZOO BABIES (2 Reels, $3.00) — Upbringing of young creatures, from tiny fish to the human being.

Physical and General Science

(1 Reel Each, Rental $1.50 Unless Otherwise Indicated)

BIRTH OF A VOLCANO — Phenomenon of Paracutin, Mexican volcano.

CHARACTERISTICS OF GASES — How we live under constant operation of physical laws as exemplified in the atmosphere.

CHARACTERISTICS OF LIQUIDS — Properties and forms they assume.

CHARACTERISTICS OF SOLIDS — Some of the fundamental conceptions of nature of matter and-physical laws involved.

CHEMICAL REACTIONS (2 Reels—$3.00) — Explains composition of an atom, relationship between nucleus and electrons; chemical reactions.

CHEMISTRY OF COMBUSTION — Series of chemical experiments showing processes of combustion and oxidation.

CLOUDS GO TO WORK — How moisture stored in clouds is returned to earth in form of rain, which is stored for city use.

COILS AND ELECTRIC CURRENTS — Nature of the fields of force about a current-carrying wire; solenoids and electro-magnets; induction coils, electric motors.

EARTH AND ITS SEASONS ($2.00) — Why we have changes of seasons, equinoxes, solstices, Earth's relation to planets.

EARTH, LATITUDE AND LONGITUDE — Divisions of Earth's surface; how physical features affect climate; charting locations and determining time.

EARTH ROTATION AND REVOLUTION — Causes of day and night, seasonal changes, and five zones; distances between planets.

EROSION BY WIND AND WATER — Effect of elements in formation of Rocky Mountains.

FLOW OF ELECTRICITY (2 Reels, $3.00) — Explains electricity through use of a simple electrical circuit. *For Elementary Grades.*

HEAT AND PRESSURE — Heat, pressure and state of any material substance; principle of refrigeration; characteristics of liquid air.

HERMITS OF THE SKY — Astronomical and scientific discoveries of four scientists snowbound on a mountain-top observatory.

IRON AND STEEL — Mining, transportation, refining, smelting methods and general production of steel.

LUCIFER MATCH — History of the match.

THE MAGNET — How lode stone of ancient Greece has been developed into enormous electric magnets used in industry today.

MAGNETS (2 Reels—$3.00) — Dad explains to Bob and Betty a few basic facts about bar magnets and their behavior. *For Primary Grades.*

MERCURY — Laboratory experiments explain its peculiar properties and behavior. Shows its uses.

THE MYSTERIES OF WATER (1 Reel, $2.00 Rental) — Water as a chemical, a food and a beverage; as a worker, builder and — a destroyer.

PEAT AND COAL — Geology; how coal was formed; preparing peat for fuel, operation of coal mine and preparation of coal for market.

PETROLEUM AND ITS PRODUCTS — Geologic and geographic factors involved in discovery of oil land and transportation, distillation and refining of crude oil.

THE PRINCIPLES OF REFRIGERATION, (1 Reel, $2.00 Rental) — Discovery and development of refrigeration — shows application of its principles in commercial and household uses.

RECTILINEAR COORDINATES, (1 Reel, $2.00 Rental) — The concept of Rene Descartes. Introduces the basic ideas of analytical geometry.

SEASONS AND THEIR CAUSES — Factors involved in changes of season; models and diagrams.

SOUND — Demonstrates vibratory character of sound, frequency and character of waves, pitch, timbre, harmony.

SOURCES OF ELECTRICITY — Production of electric phenomena by magnetic induction, friction or chemical action; nature of electric currents.

THE STORY OF COAL, (1 Reel, $2.00 Rental) — One of nature's greatest resources. Formation of coal, mining processes, regions where it is found, uses in business.

THE STORY OF ELECTRICITY, (1 Reel, $2.00 Rental) — From the discovery of magnetism to the development of giant electrical industries today. A complete documentary.

THE STORY OF THE MICROSCOPE ($2.00) — Invention and development of one man's most powerful weapons in the battle against disease and for greater knowledge.

STORY OF SULPHUR — How it is obtained; chemical and commercial uses.

THE STORY OF THE TELESCOPE ($2.00) — Touches upon ancient astronomical knowledge, the invention of the telescope and development in building reflectors and refractors. Shows the wonder of the stars.

THE STORY OF WHEAT, (1 Reel, $2.00 Rental) — History, growth, harvesting and preparation of wheat for BREAD.

A TRIP TO THE SKY — Position of Earth in universe; journey to the moon, Mars, Saturn, Twin-star Alpha.

VIBRATORY MOTIONS AND WAVES, (2 Reels, $3.00) — Wave lengths, amplitudes, nodes, aninodes, rarefactions, condensations, displacements, etc.

WHAT MAKES DAY AND NIGHT ($2.00) — Cause of day and night explained to two children as being rotation of the earth, not movement of the sun. *For Elementary Grades.*

WHAT MAKES RAIN ($2.00) — Condensation and evaporation as they apply to the water cycle. *Primary Grades.*

THE WORLD WE LIVE IN ($2.00) — Physical structure of earth, hemispheres, oceans, continents; effect of sun on earth.

Arithmetic Series

(One reel each—Rental $2.00)

MEANING OF PERCENTAGE — A difficult concept for youngsters is made easy through graphic illustrations in commonplace situations. *Primary Grades.*

PARTS OF NINE — Develops meaning of number 9 through use of concrete material involved in the preparation of a birthday party. *Primary Grades.*

PARTS OF THINGS — Everyday objects to dramatize for the child the meaning of *fractions. Primary Grades.*

THE TEEN NUMBERS — An easy-to-understand presentation of the concept of our decimal number system. *Primary Grades.*

WHAT IS FOUR — Helps to build understanding of the *meaning* of numbers. *Primary Grades.*

Practical Geometry Series

(One Reel each — $2.00 per Day)

ANGLES — How angles are formed and measured; various types and relationship to each other.

ANGLES AND ARCS IN CIRCLES — Measurements of central angles, arcs, inscribed angles, angles formed by two chords.

AREAS — Needs and uses for finding areas of various figures; recognized methods of computing.

CHORDS AND TANGENTS OF CIRCLES — Demonstrates theorem of a perpendicular to a chord within the circle; all types of tangents.

THE CIRCLE — Explains radii, diameters, chords, tangents, secants, arcs, central angles.

CONGRUENT FIGURES — Illustrates principles of equal sides and equal angles.

LINES AND ANGLES — Mathematical applications of basic geometry; relationship of the perpendicular with ordinary plumb bob, level and square.

LOCUS — Meaning and applications.

QUADRILATERALS — Chief properties of parallelograms, rectangle, rhombus, square, trapezoid, trapezium.

SIMILAR TRIANGLES — Practical uses, properties; 'two angles equal' proposition.

INDIRECT MEASUREMENT—Specific situations where direct measurements cannot be made. Three methods of indirect measurement—congruent triangles, similar triangles and trigonometry.

POLYGONS—Opens by showing real-life polygons. Takes up concept of convex and concave, the inscribed circle of a regular polygon. Other related data, presented interestingly.

PROPERTIES OF TRIANGLES—Practical importance of the rigidity of triangles demonstrated. Also animated treatments of many geometric concepts, such as Angle Bisectors Theorem, Perpendicular Bisectors Theorem, Altitudes Theorem and Medians Theorem. Simplifies and clarifies usually difficult concepts.

PYTHAGOREAN THEOREM—Historical background of the theorem, detailed discussion of an interesting use of the 3-4-5 triangle by the Egyptians. Basic importance of the theorem is stressed.

RATIO AND PROPORTION—Some convincing applications of the idea of ratio in various real-life situations. Relationship between a ratio and a proportion is clarified. "Product of Means Equals Product of Extremes" Theorem is covered in detail.

SIMPLE FRACTIONS—Gives concrete meaning to fractions. Numerator and denominator. Simple additions are made reasonable by showing parts being combined. Recommended for 5th to 8th Grades.

Physiology, Health and Safety Films

(1 Reel Each — Rental $1.50 unless otherwise indicated)

A.B.C.D. OF HEALTH — Analysis of vitamins necesary for health; importance of proper preparations and cooking.

BICYCLING WITH SAFETY — What children can do to make bicycle riding safer.

CHILD WELFARE IN SWEDEN — Show in detail the excellent care that Sweden extends to her needy children.

HOW DO YOU DO, (2 Reels, $3.00) — Demonstrates entertainingly the acceptable forms of social introductions and general etiquette, especially for young folks. *For Junior-Senior High School.*

HOW THE EAR FUNCTIONS ($2.00) — Structure and function of ear; how sound waves are conveyed to the brain.

HOW THE EYE FUNCTIONS ($2.00) — Structure of eyeball, position in skull, focal adjustment, roll of tear ducts.

LIFE WITH BABY — How children grow mentally and physically.

MEN OF MEDICINE — An exceptional film that follows a young physician through some of the problems that face him today.

MILK AND ITS PRODUCTS — Dairy operation; analysis of milk for food value; butter and cheese making; pasteurising and delivering.

MIRACLE DRUGS OF THE CENTURY, (2 Reels, $3.00) — Story of sulpha drugs; accomplishments, chemical structure, manner of functioning.

MOSQUITOES AND MALARIA — Life cycle of mosquito and course taken through human blood stream by malarial germ.

NEW FRONTIERS OF MEDICINE — The newest medical miracles — in drugs, surgery, nutrition, various diseases.

OUR TEETH ($2.00) — Growth, structure, functions and reasons for oral hygiene; foods that build teeth.

LOUIS PASTEUR, (2 Reels, $3.00) — Highlights in life of Pasteur, played by Sascha Guitry; shows difficulty in getting new discoveries accepted.

PREVENTING THE SPREAD OF DISEASE — Compares spread of disease to creation of chain of microorganisms; how created and broken.

SAFETY BEGINS AT HOME ($2.00) — Shows some of the typical safety hazards found in the home and how they can be avoided. *For Elementary School.*

SAFETY TO AND FROM SCHOOL ($2.00) — Safety practices in city and urban areas, correct way of crossing streets. *For Elementary School.*

SMALLPOX, THE EVER PRESENT MENACE — Necessity of vaccination and re-vaccination; dangers of disease demonstrated dramatically.

SWAT THE FLY — Shows what a menace to health is this pest; where flies develop and how they may be exterminated.

TOMMY'S DAY, (2 Reels, $3.00) — Teaches some of the simple and important health habits so necessary for young children to acquire. Seven year old Tommy is seen as he goes through a typical day at home and at school. *Primary Grades.*

WHY WILLIE WAS WILLING TO WASH — How a dirty little boy learned the importance and value of cleanliness.

WINKY THE WATCHMAN, (Color — Rental $2.50) — An excellent health film in cartoon form (for easy understanding by children) that teaches them proper care of teeth.

YOUR EARS ($2.00) — Structure and function of the ear and its component parts. How sound waves are received and transmitted to the brain. *For Elementary and Junior-Senior High School.*

YOUR EYES ($2.00) — Structure and function of the eye and its component parts. Near sightedness and eye protection. *For Elementary and Junior-Senior High School.*

YOUR HEALTH DEPARTMENT AND WHAT IT MEANS TO YOU, (2 Reels, $3.00) — Function, achievements and goals of health department activity. What it means to individual.

YOUR TEETH ($2.00) — Structure, growth and care of teeth explained by the successive use of live action and animation. *For Elementary and Junior-Senior High School.*

GROUP THREE FEATURES

ABILENE TOWN **$17.50**
9 Reels—Western **Series $15.00**

This splendid film gives you the rousing action of a real Western, plus much more in the form of a dramatic story about the old West. Starring Randolph Scott and Ann Dvorak.

ABOUT FACE **$12.50**
5 Reels—Comedy **Series $10.00**

William Tracy, Joe Sawyer, Jean Porter, Marjorie Lord, Veda Ann Borg. A story of dizzy deeds performed by two sergeants on a week-end leave of absence.

THE ADVENTURES OF CHICO **$12.50**
6 Reels—Unusual Film **Series $10.00**

The story of a lonely Mexican boy and his animal friends. A most unusual film—humane, appealing and sympathetic.

ALASKA **$15.00**
8 Reels—Drama **Series $12.50**

Based upon Jack London's story, "Flush of Gold", this picture provides a strong drama, with music, about the Alaska Gold Rush days. In outdoor snow and mountain settings, the story is given reality and vitality. Claim jumping and murder are equaly serious in the eyes of frontier-law and both are motives for one of the author's best tales. An Alaskan gold mining town becomes the crossroads for a conglomeration of people, all seeking quick riches, with Kent Taylor, Margaret Lindsay, John Carradine, Dean Jagger.

ALL AMERICAN CO-ED **$12.50**
5 Reels—Musical Comedy **Series $10.00**

Frances Langford, Marjorie Woodworth and the Tanner Sisters. A gay musical comedy about a prankish student, who, disguised as a girl, gets into an exclusive school for girls and it takes a heap of trouble to straighten out the imbroglio. Excellent singing, fine dancing and whirlwind comedy.

4/21/96 10.00 FT

AMERICAN EMPIRE **$17.50**

AUTHENTIC GRAND OPERA ON FILM

Straight from the stage of the Rome Opera House comes this series of authentic renditions of the famous and popular operas. Leading artists of the Rome and La Scala Opera Companies perform brilliantly under the direction of Angelo Questa. You'll hear Tito Gobbi, Cloe Elmo and a host of other gifted performers in performances that will delight you. English commentary by Olin Downes.

3 Reels each

Rental $5.00 without shorts, $7.50 with shorts (Please specify)

CARMEN

3 Reels—One of the most colorful of operas is this masterpiece of Bizét which tells the tragic story of treachorous gypsy Carmen, **Don Jose whom she lures to destruction. ($5.00 without shorts; $7.50 with shorts. Please specify.)**

MARRIAGE OF FIGARO

3 Reels—Mozart's rollicking comic opera bursts on the screen with all the lusty vigor of its lusty characters. You'll enjoy heartily the singing and acting of Figaro, his lovely Susanna, the Count and the Countess and all the other lively characters of this ever-populár **opera. ($5.00 without shorts; $7.50 with shorts. Please specify.)**

BARBER OF SEVILLE

3 Reels—Rossini shows his rare talents in this gay comic opera that tells the story of Rosina, the jealously-guarded ward of Doctor Bartolo and the love of Count Almaviva which meets almost impossible difficulties until the enterprising barber, Figaro, lends a willing hand in the romance. A performance that is a delight to see and hear. **($5.00 without shorts; $7.50 with shorts. Please specify.)**

DON PASQUALE

3 Reels—Donizetti's famous opera gets a rousing performance in this film version, photographed beautifully on the stage of the Rome Opera House.
